## Personal Umbrella Protection for ABA Members

# Personal Umbrella Protection Exclusively for ABA Members

## Primary and Excess Umbrellas for ABA members.

The American Bar Insurance personal umbrella policy provides protection beyond your existing homeowners and auto policies by adding an additional layer of liability coverage. A personal umbrella policy can help protect your financial assets from uninsured losses or unfunded liability judgments.

## Some Reasons to Consider an Umbrella:

- You need to protect yourself against an estimated 42% of all drivers who are uninsured or underinsured today.
- You have a youthful driver in your home.
- You own a boat, motorcycle, snowmobile, R.V. or personal watercraft.
- You want to protect the financial assets you have worked so hard to save.
- You own a swimming pool or trampoline.
- As an attorney or judge, you are at a higher risk for litigation.

## Valuable Benefits:

- ABA members receive discounted rates.
- You receive \$1 million of uninsured and underinsured motorist coverage included in this exclusive policy.
- The ABA policy works in conjunction with your current auto and home carrier — no need to change your auto and home coverage.
- This exclusive coverage is available only to ABA members.
- We have limits up to \$10 million available.
- The application process is simple and there is quick turnaround time for quotes.
- You receive paperless delivery of your policy.
- There are no credit checks or motor vehicles reports required.
- Policies are available in all states.

This plan has a unique charitable giving feature as ABI will transfer an appropriate portion of net profits to the American Bar Endowment (ABE) for its charitable work.
